ThunderBird 3

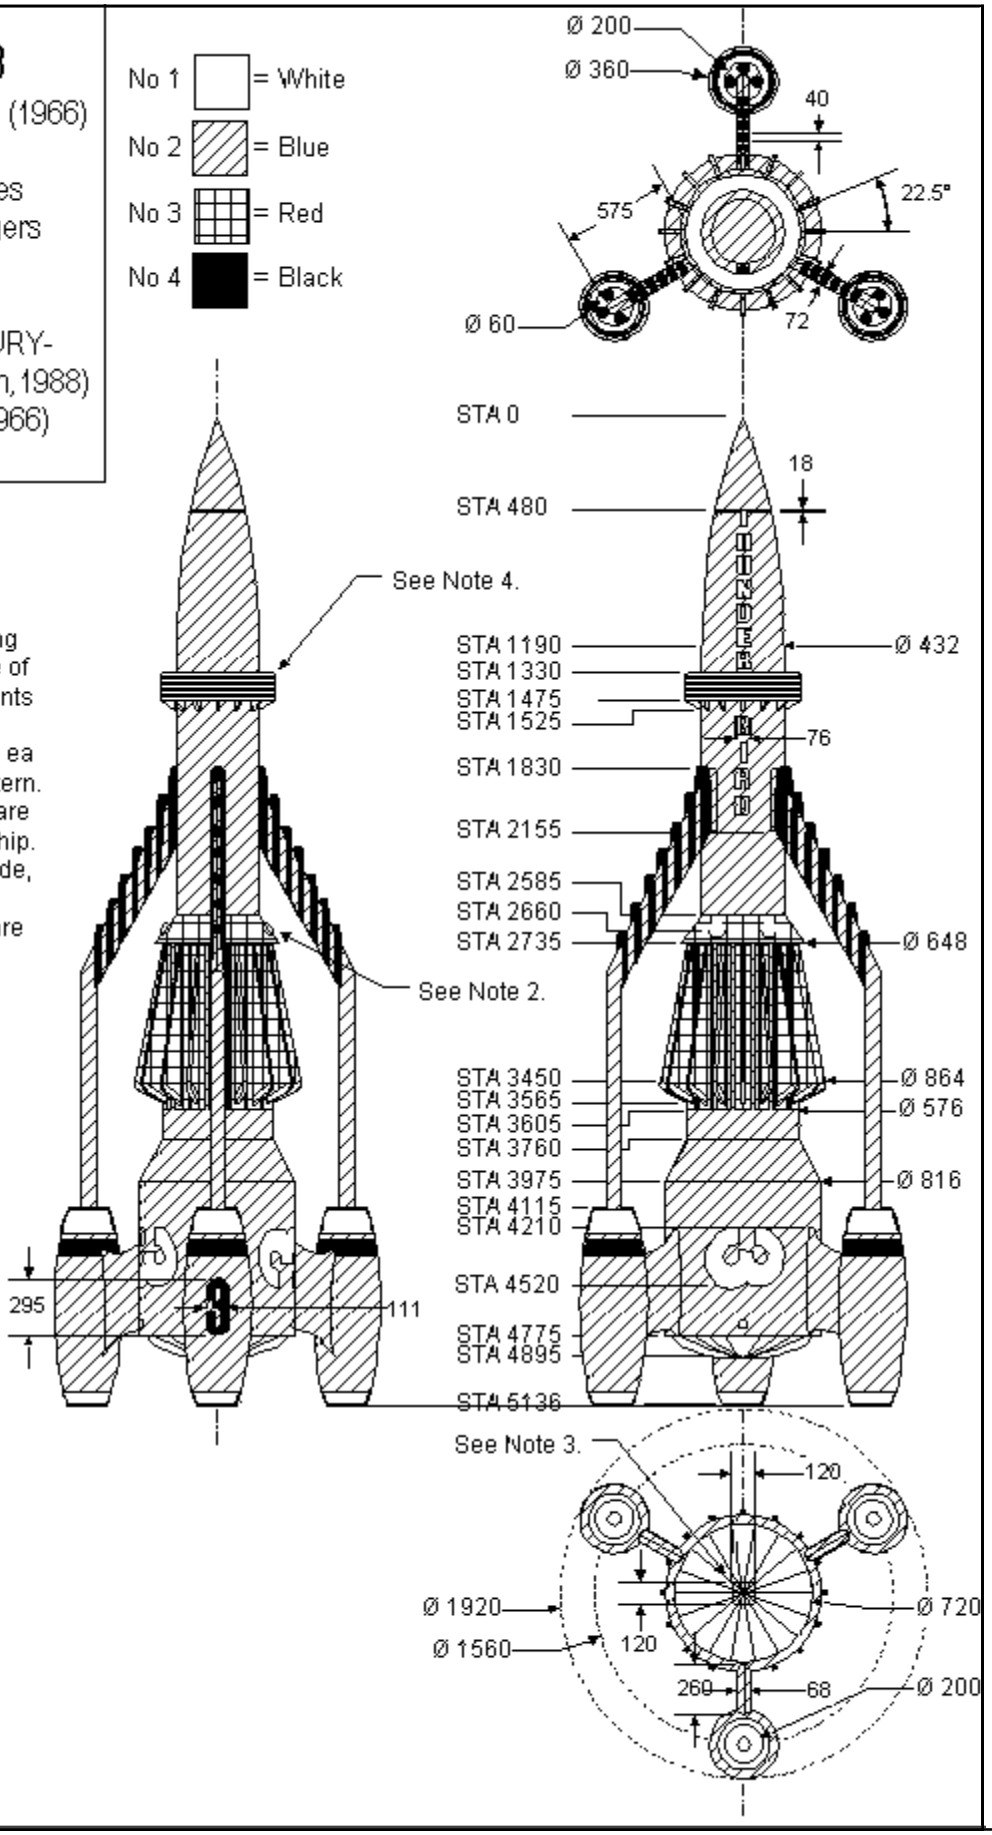

"Thunderbirds are Go!" (1966)
1/1000 scale
Dimensions in inches
(C) 1999 by Jon Rogers

Sources:
"THUNDERBIRDS CENTURY-Modeling Manual" (Japan, 1988)
"Thunderbirds are Go!" (1966)

No 1 = White
No 2 = Blue
No 3 = Red
No 4 = Black

Notes:

1. The original ship size varied greatly from scene to scene. The reference for this drawing was taken from a composite of several scenes and represents the best data available.
2. Portholes at STA 2660 are 4 ea 72" dia arranged in an X pattern.
3. Pilot enters through 10' square door at center of bottom of ship.
4. Ring consists of 5 ea 20" wide, 600" dia rings with 12" gap.
5. Tips of fins from STA 3450 are Yellow.
